## WORK EXPERIENCE

**American University Student Academic Services**

*Math and Statistics Lab Tutor*

**Washington, DC**

*January 2022 – May 2023*

- Created customized lesson plans and study materials to address individual student needs and learning styles.
- Utilized unique teaching tactics to identify student learning patterns and reinforce calculus concepts.
- Provided one-on-one and group tutoring sessions to undergraduate students in various math and statistics courses, including calculus, algebra, probability and data analysis.

**MentaMorph Money**

*Financial Scenario Development*

**Washington, DC**

*April 2023 - Present*

- Researched historical economic data to ensure accuracy within the financial literacy app.
- Collaborated with Programmers and Developers to ensure parallel progress of game development and scenario development.
- Constructed complex formulas in excel to run the output data of the financial scenario levels within the educational game, and to assist programmer's conceptualization of the data and ease of use.

**American University Athletic Department**

*Student Athlete Advisory Committee*

**Washington, DC**

*September 2023-Present*

- Attended monthly SAAC meetings, providing input on relevant matters to ensure that committee objectives are met.
  - Collaborated with fellow SAAC members to plan and execute programs aimed at enhancing the student-athlete experience.
  - Serve as a liaison between student-athletes and the athletic administration, conveying their concerns, ideas and feedback effectively.
- 

## LEADERSHIP EXPERIENCE

**NCAA Division 1 Student-Athlete (American Women's Swimming)**

*Varsity Athlete*

**Washington, DC**

*September 2020-Present*

- Dedicated 20+ hours a week to team meetings, practice, weight training, and competitions while balancing a full course load.
  - Apart of a school record breaking relay, and 5 events that rank in the top 16 times for the school program.
  - Organized events and fun activities to develop team comradery and sportsmanship.
-
